To Whom it May Concern:

RE: Certificate of Conformance for Histamine <50ppm

This letter will serve as

Boston Sword & Tuna's official notification that we continue to operate under the applicable FDA Food Code and FSMA regulations.

The scombroid species processed at this facility conforms to Histamine <50ppm.

Please feel free to contact me if you have any questions at foodsafety@bstseafood.com 617-946-9850

Best Regards,
Bala Kishore
Head of Quality & Food Safety
