RE: Certificate of Conformance for Histamine Compliance <50 PPM

To Whom it May Concern:

This letter will serve as Boston Sword & Tuna's official notification that we continue to operate under the applicable FDA Food Code and FSMA regulations.

The scombroid species processed at this facility conforms to Histamine levels <50 PPM.

Please feel free to contact me if you have any questions at foodsafety@bstseafood.com (617)946-9850.

Best Regards,

Justin Miller

Head of Quality & Food Safety
