RE: CERTIFICATE OF GUARANTEE OF HACCP COMPLIANCE

This letter will serve as Boston Sword & Tuna's official notification that we continue to operate under the United States Federal Food and Drug Act and (21 CFR) HACCP Guidelines.

Boston Sword & Tuna and all its import sources comply with all procedures for the safe and sanitary importation and distribution of fish and seafood products as outlined by the United States Food and Drug Administration in the Federal Register dated 12/18/1995 CFR parts 123 and 1240 mandating the application of HACCP Principals of Seafood HACCP.

In addition, all outside vendors have issued us their Certificate of Compliance. In addition, should it be necessary we have access to their HACCP plans which will verify their procedures for ensuring that the fish and fishery products they offer, or store are handled in accordance with the requirements of the United States Food and Drug Act HACCP Regulations (21 CFR Part 123 effective March 1, 2001)

Please feel free to contact me if you have any questions at foodsafety@bstseafood.com 617-946-9850

Best Regards,
Bala Kishore
Head of Quality & Food Safety
